Bobbie!

This will be the last Book from Cleveland I will ever scratch in I hope. I don't think I would ever last another year like this one. I like your school, but you like it too much and that is what I dislike. I don't think you will have as much trouble at Rex because it is an all girl school. But you were a real good ball player and I enjoyed the games very much. I sure hope you keep up the good work and you will be long remembered by everybody. I hope I will always think towards you as I do now, and if I do we will get along fine. We have had some wonderful times together and I will never forget them. I have had a lot of competition but I hope it will soon be over. With you at Rex and me at E+B, I don't think I will have as much trouble keeping up with you.

I want to say you have a wonderful family and I think a lot of everyone of them.

# Class History

We, the Senior Class of 1960, began making history in the fall of 1948, when a large number of excited and somewhat confused first graders began their education here at Cleveland. Our elementary school days were highlighted by picnics, parties, and a few short educational trips. As the years sped by, we eagerly awaited the day we would enter high school.

In the fall of 1956, that much anticipated day arrived. It was then that fifty-seven of us freshmen entered high school and began to adjust ourselves to our new teachers and principal, Mr. John Walker. We were happy to welcome Willard Dry to our class from Garner. Several members of our class began to participate in 4-H Club, Glee Club, F. H. A., and F. F. A. activities. That year, Barbara Pleasant, Johnnie Coats, Carol Thigpen, Gerald Coats, and Shepherd Byrd were placed on the basketball team. Shirley Price and Gladys Bowling became cheerleaders.

At the beginning of our sophomore year we were greatly bereaved by the loss of Gerald Coats. Also that year we were happy to welcome Bradford Barbour from Four Oaks to our class. At midterm, Mr. Walker left, Mr. Boyette took over for the rest of the year. Bennie Roberts became a new member of the basketball team. Carolyn Parrish was a cheerleader that year. Joan Langdon was awarded the English medal and Mary Lou Johnson won the World Peace Medal. Jimmie Stephenson made us proud by becoming state cotton production winner and receiving a trip to Chicago.

When we re-entered school the next fall as Juniors, we found that Mr. Tom Benton, our former science teacher, was now our principal. We were glad to welcome Jane Bridges from Garner to our class at this time.

We were excited and thrilled over the presentation of our Junior play "The Calamity Kids," which was directed by Mrs. Boyette and Mrs. Gulley. The cast of our play was composed of Patricia Braswell, Mack Pollard, Hilda Byrd, Alfred Taylor, Reece Byrd, Johnnie Coats, Phil King, Betty Sue Johnson, Mary Lou Johnson, Donald Beasley, and Joan Langdon.

Our Junior-Senior Banquet was held March 13, 1959, in the gymnasium and was followed by a prom.

Our marshals were: Mary Lou Johnson and Joan Langdon (co-chiefs), Betty Sue Johnson, Jo Anne Ogburn, Hilda Byrd, and Alfred Taylor.

That year four juniors distinguished themselves in the following ways: Patricia Braswell was chosen F. F. A. Sweetheart of the Cleveland Chapter; Hilda Byrd was awarded the Home Economics medal; Mary Lou Johnson and Joan Langdon were awarded the history and mathematics medals jointly; Mary Lou Johnson was awarded the English medal. Phil King and Alfred Taylor became members of the basketball team.

On September 2, 1959, the day we had been awaiting for eleven years had arrived. At last we were Seniors! Added to the thrill of being seniors, we had Mr. Smith as our homeroom teacher. Along the way we had lost as well as gained a few students. Our Class was now down to thirty-two.

Our senior class was especially proud that a Beta Club was organized that year and we claimed the charter members: Mary Lou Johnson, Betty Sue Johnson, Hilda Byrd, Jo Anne Ogburn, Joan Langdon, Clara Faye Langdon, Reece Byrd, Alfred Taylor, Barbara Pleasant, and Willard Dry.

We will not readily forget the thrill of receiving our class rings, of choosing our superlatives and mascots, and of electing our class officers and annual staff. We are eagerly looking forward to many more important events to follow.

After graduation, the Senior class of 1960, as a group, will stop making history. We shall always be grateful to everyone who has helped in any way to make our education here at Cleveland High School possible. We shall try to prove ourselves worthy of the sacrifices that have been made for us by striving to become good citizens of our community and our country.

Dear Bobbie,  
 I've enjoyed all these years  
 we have been in school together.  
 I have enjoyed all our activities together.  
 Good luck with Rex (the hospital) and  
 Ray (the fine fellow.) As you know, I "kinda like"  
 that whole Pleasant Family.  
 Best wishes always to Bobbie

Bobbie,  
 The time is quickly approaching  
 when we shall be separated in  
 body, but memories can never  
 escape.

You've been one of my best

 luck at Rex!

Here's wishing to the best friend a person could have the best of everything. I will never forget you as long as I live. I just hope we are never too far apart.

Remember all those good old days you, Sue, Johnnie & I had. I will long be remembered. Especially the times we sat up until crude hours of the morning. March 13, I will always cherish the talks I have had with you. May all your dreams come true. And I am sure they will for such a sweet person.

Dear Babbie,  
I shall never forget this year as you. You have  
been so sweet, considerate, and kind. I shall always  
remember with pleasure and with happy memories to brighten  
our future.

I hope you attend Pop's and become a "Registered Nurse."  
I know if you get there, you will be the best nurse that  
Pop's Hospital has ever had.

May happiness fill your future life as you and King  
thank life's pathway together. You deserve only the best,  
and that is what I wish for you.

Bobbie,

I hardly know how to start this. After all this is  
the last time I'll ever sign an annual for you or you  
for me and it is a bit sad. However, I'll always  
remember the many good times together through the years.  
How could I ever forget. The ball games, the parties  
and all the slumber parties leave many memories that  
will be cherished a life time by me.

Well, I hope the future holds all the success and  
happiness it can hold for you and Ray. Best of  
luck to you at Rex next year. I know you will  
reach the goal.

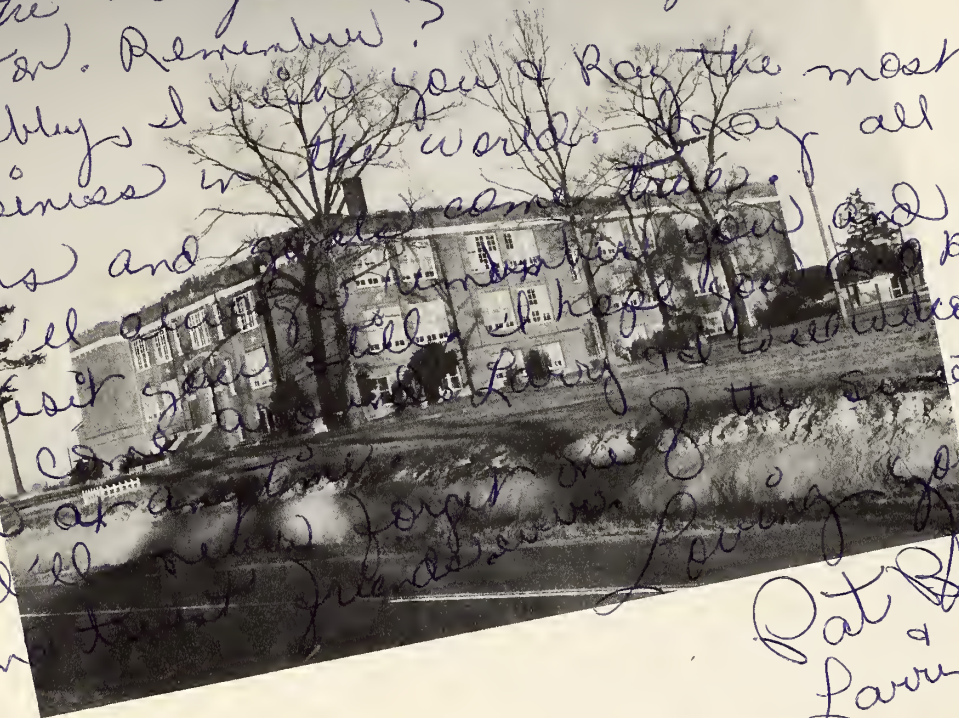

I love you,  
Sue
